

AP7 blacklist as of June 18, 2019

AP7 invests in companies that in an acceptable way adhere to the international norms and conventions signed by Sweden. These are expressed in the UN Global Compact's ten principles on human rights, labor, the environment and anti-corruption. As of 2016, the Paris Agreement to the UN Climate convention (UNFCCC), is included in our norms-based screening. AP7 does not invest in companies involved in the development or production of nuclear weapons.
