## AP7 blacklist as of December 10, 2020

AP7 invests in companies that in an acceptable way adhere to the international norms and conventions signed by Sweden. These are expressed in the UN Global Compact's ten principles on human rights, labor, the environment and anti-corruption. As of 2016, the Paris Agreement to the UN Climate convention (UNFCCC), is included in our norms-based screening. AP7 does not invest in companies involved in the development or production of nuclear weapons.

The following companies are excluded from AP7's investment universe as of December 10, 2020:

Involvement in nuclear weapons.
Involvement in violations of human rights and environmental norms at a dam construction project in Panama.
Involvement in nuclear weapons.
Involvement in the sale and production of cannabis in violation with international conventions.
Involvement in violations of human rights through the sale of weapons to Burma/Myanmar.
Involvement in nuclear weapons.
Involvement in nuclear weapons.
Involvement in the violation of environmental norms in mining operations in Chile and Argentina.
Involvement in the violation of environmental norms at the World Heritage site of the Sundarbans in Bangladesh.
Involvement in the violation of environmental norms and human rights in mining operations in Brazil.
Involvement in nuclear weapons.
Involvement in nuclear weapons.
Involvement in nuclear weapons.
Involvement in the sale and production of cannabis in violation with international conventions.
Involvement in the violation of human rights in a dam construction project in Brazil.
Involvement in large scale coal operations.
Involvement in nuclear weapons.
Involvement in the violation of labor rights in the USA.
Involvement in large scale coal operations.
Involvement in the violation of human rights in a dam construction project in Brazil.
Involvement in the sale and production of cannabis in violation with international conventions.
Involvement in the violation of labor rights in the USA.
Involvement in sales of military equipment used in violation of human rights in Israel as well as involvement in cluster munitions.
Involvement in the violation of environmental norms at the World Heritage site of the Selous Game Reserve in Tanzania.
